PROUD TO BE A ROTARIAN

ANNOUNCEMENTS

Mark Anderson (*Grant Project Update*):

Mark gave an update on the veterinary services project for Navajo Nation horses on several Arizona reservations, this spring. The gratifying thing is the fact that Navajo native vets - after getting their degrees - are coming back to the reservations to serve their communities!

Attend via Zoom!

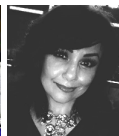

NAVAJO OUTREACH

Spring 2024

Carol Stark (*RI Foundation*): At the end of the Rotary Year (right now) is a great time to consider giving more to Rotary Foundation, even becoming a member of the Paul Harris Society!

Pat Williams (*Did You Know?*): Were you stumped?

I once was an Olympic boxing ringside judge at the Colorado Springs Olympic Training Center!

Jim Epstein (*Sad News*): I was notified by Brad Schilling that his dad and our longtime fellow Rotarian and friend Dick Schilling just passed away peacefully. He was truly a great member of Rotary and the community and will be greatly missed. Please keep his family in your thoughts and prayers.

LAST WEEK'S PROGRAM

Loveland's Acting Deputy City Manager Mark Jackson and Deputy CFO Molly Elder spoke about the current state of the city budget: • Loveland, a full-service community for more than 70 yrs, has the lowest tax burden while providing the highest level of services in the region - a grave structural imbalance! • The \$13 M shortfall (without a food tax now) is an almost insurmountable problem for us to grapple with.
