ANNOUNCEMENTS: **Jerry Westbrook** announced that this year is the 75th anniversary of the Duck Race, which was initially started to help purchase dictionaries for 3rd graders, park benches and to support the Literacy Committee projects. In 2016, the funds transitioned to supporting the purchase of Chromebooks, Ipads and to fund scholarships for Thompson School District students. **Rico Devlin** just finished the Atlas leadership program and has created a project to do a video campaign and raise \$20,000 by June 14th. The funds will be donated to a nonprofit aligned with Everytown for Gun Safety. **Tom Carri-gan** announced that KidsPak has delivered bags to families and to the Boys & Girls Club and this week starts the reading program. KidsPak has also made a \$500 donation to TEF to help with packing back to school backpacks.

HISTORY: **Fran Bostwick** told the club about the 1987 US Supreme Court decision supporting California law holds that Rotary Clubs in the U.S.A. may no longer exclude women from membership. In December 1987, the Board decided that Margaret Foote is an Honorary Member. In April 1988, the Membership and Classification Committee along with the Board voted to accept membership of Sally Landis.

PROGRAM: In 2018, the Duck Race net revenue was \$37,000 that went to Chromebooks and scholarships for students. By 2018, 365 touchscreen Chromebooks were purchased (along with generous community support) for 17 different schools for 4th and 5th graders. The same year, \$81,000 in scholarships went to 18 students in the district. Teachers and a student talked about the positive impact of these programs. Other programs that the Duck Race helps fund: student exchange, middle school kindness award, RYLA and other distributions. The race wouldn't be successful without participation by members and it is a great way to get to know other members. There are many opportunities for members to support this fundraiser so please get in touch with a committee member to find out more.
