**ANNOUNCEMENTS:** Carol Stark-Sorg announced that our goal for the Rotary Foundation is \$5000 short so please consider donating. Thank you to the **Ted Almquist** estate who awarded the Foundation and RI Foundation \$150,000. **Jon Kindschy** gave board meeting highlights: re-appointment of **Julie Johnson-Haffner** as trustee to the Rotary Club Foundation; we are sorry to see **Nita Roy** move back to Texas, the board appointed **Chris Atib** as the new board member; Thompson Outdoor Education Center was awarded a \$2000 grant for clean up and maintenance. **Jerry Westbrook** thanked **Dick Schilling** and **Don Wells** who donated to the Polio Plus Auction—a total of \$12,000 was contributed through donations and matched funds. The Loveland HS Student Council are going to Atlanta, GA to help refugees through program called Envision Atlanta and are within \$400 of their goal. **Bob Eatman** presented an award for Outstanding Cadet Nathan Hanson from Mountainview HS.

**HISTORY:** **Jerry Westbrook** read that in 1981-82, **Rich Ball** became the 3<sup>rd</sup> generation to serve as president of our club. In 1982, Edith Woelfe retired as the club's caterer after 41 years of service. D.P. Pulliam also started the student achievement award, which recognized a high school student for outstanding academic accomplishments and leadership.

**PROGRAM:** **Nanci Garnand** introduced Don McGrath who talked to us about a New Pathway for Vets, which was an event he organized in order to help veterans, members of the military and their spouses who face challenges that most civilians don't. In January 2019, Don held Pathway For Vets to help this community overcome some of their challenges and discover the success they desire and deserve. This event had over 20 speakers who talked about a variety of topics, entrepreneurship, marketing, PTSD and more to help veterans and their spouses. This was such a successful event thanks to the participants and Don and his group are looking for support for the next New Pathway for Vets event in 2020.
