

### THE FOUR WAY TEST

- 1 Is it the TRUTH?
- 2 Is it FAIR to all concerned?
- 3 Will it build GOOD WILL & BETTER FRIENDSHIPS?
- 4 Will it be BENEFICIAL to all concerned?

**Application Received**  
YMCA (Jim Martin)

**Doing Good In The World**

You may also attend LRC meetings via Zoom!

**ANNOUNCEMENTS**

**Dick Barton** (*Memorial Day Memory*): Dick shared a heartbreaking story about the only serviceman (Navy) under his command to lose his life in Vietnam.

**Irv Johnson** (*Thoughts & Prayers*): Irv asked us to remember these: *Chuck Rutenberg* (former DG) kindly asks people to plant a tree in memory of his wife Lynn, who has passed. *Sally Moninger's* mother also passed recently, at age 103. Our own *Dick Schilling* (90 this summer) has been hospitalized with a broken leg and internal bleeding.

**Jon Kindschy** (*Club Business*): Jon had three items:

- ① There will be **ClubRunner training** for all committee chairs and anyone else interested after the next club meeting (Jun 6). If you want to make this a hands-on learning session, then bring your computer or tablet!
- ② Due primarily to the rising costs for our catered food and RI dues, there will be a **dues increase** of \$20.
- ③ The all-member **vote to approve new changes to the club bylaws** was held. After a motion to this effect made by **Dwight Brummet** and a second by **George Stevens**, the voiced vote was unanimous in favor of it.

**LAST WEEK'S PROGRAM**

Ret. USAF Colonel (and our fellow Loveland Rotarian)

**Bob Eatman** delivered our Memorial Day Program. Bob

shared his own memories of those who gave their lives. His remarks evoked strong emotion in both Bob and the audience. These are just a few highlights:

† "Charlie" died when his fighter aircraft went out of control over the desert of Nevada. He ejected, but did not survive the ejection.

† A B-52 crew of five from Bob's unit died (and were never found) when their aircraft crashed into the North Atlantic during a low level test of shore-based surveillance radars.

† Bob's roommate, Gray Warren, was shot down during an interdiction mission one day before he and Bob were to join a Forward Air Controller (FAC) unit.

*During Bob Eatman's 33-year military career, he flew 167 combat missions, logging more than 7,000 hours, in the F-4 Phantom II (in Vietnam), and was awarded the Silver Star, two Distinguished Flying Crosses, and 14 Air Medals. His final military assignment was commanding the Air Force ROTC Detachment at Colorado State University (1984-1987).*
