ANNOUNCEMENTS

Brian Nienhaus (Kudos): A big thanks goes to Mary Camp for coordinating our club’s Memorial Day Weekend readings of the names of fallen heroes at the Travelling Vietnam Memorial, an important and very touching event.

Carol Stark (RI / Foundation): In 1907, Homer Allen, a teenager in Ohio, lost his legs and then died for lack of a hospital as a result of a terrible accident. His father devoted his life to raising money - first, for a hospital for his town, and then, on a continuing basis, for children with disabilities. He became a Rotarian in 1909, and soon after founded the Society for Crippled Children, which later became Easter Seals. Such was the first project funded by RI’s Foundation. See the May issue of Rotary magazine for more striking stories about the good work Rotary has done and is still doing in the world, all the time.

Dick Bradsby (KidsPak): Summer distribution will begin Wednesday, June 9th. We will be distributing food at three Thompson School District sites, the Camp Read sites, Boys and Girls Club sites, as well as the Loveland and Berthoud libraries. We will be providing 130 larger blue bags to the Loveland Housing Authority, at the beginning of June, July and August. An opportunity to volunteer is available via SignUp Genius, at the following website: www.signupgenius.com/go/20F0844ABAA28ABF58-kidspak18

PROGRAM

“Duck Race Kick-Off for 2021” included a lively Flying Duck Contest that entertained members during the informative presentation. Highlights included these:
1. Brian Nienhaus won the Flying Duck Contest with 6 successful flying duck tosses.
2. Three tables guessed the winning number; however, everyone at those tables donated the money to the Duck Race, by virtue of Brian designating the Duck Race as his project of choice.
3. The total netted by Flying Duck Contest was $95!
