ANNOUNCEMENTS

Dwight Brummet – our world and country right now needs Rotary and if members see an opportunity to help they should do that.

Tom Carrigan announced that the KidsPak summer program starts this Friday at district schools and each Friday along with the Boys and Girls Club sites. The Loveland Library has also been passing out bags during the week. Ten distribution locations every week are helping to feed kids during the pandemic. KidsPak delivered 225 family bags to the Loveland Housing Authority for June and this will be repeated in July and August. KidsPak is also helping support many other local programs as well.

Julie Johnson-Haffner announced great news – the Covid Relief Fund committee made the first round of grants! The grants were \$5K each: Larimer CO Boys & Girls Club; Project Self Sufficiency and the Salvation Army. The Foundation is still taking donations and matching funds to help support the community.

PROGRAM

Laura Armstrong talked to the club about the Heart J Center for Experiential Learning that uses resources at Sylvan Dale for learning opportunities. The Ranch is west of Loveland and is 3000 acres that has been a guest ranch since 1914. The family decided after the 2013 flood to build the education center. The Center started by serving youth groups and school groups for outdoor education. Now, they offer adult education, overnight retreats, universities and research projects, veterans programs. Sylvan Dale is also donating the ranch to the nonprofit Heart J Center for programs.
