Jul 4, 2023

NO MEETING HELD

Here's hoping you enjoyed a great Independence Day celebration!

Service Opportunity: Paint a Habitat Home

Habitat for Humanity is one of our corporate members and they need help painting houses on three Saturdays: July 15th, 22nd and 29th. They need 15 people each day from 7:30 am to 2:30 PM. Lunch and drinks are provided. Anyone 16 or older can help - so sign up friends and family, too!

Why volunteer with Loveland Habitat?

- No experience is needed to volunteer, we work with your comfort level!
- Not only does staff appreciate you being there, so do our future homeowners.
- You learn new skills and meet new people in the community.
- We'll feed you - we have snacks and drinks available throughout the summer.

You can sign up directly for this at <https://signup.com/go/DhrKBaG>

ANNOUNCEMENTS

Bob Tello & John Moore

(Duck Race Updates): The Duck Race is the largest fund raiser of our Club and Foundation. The funds are crucial to supporting high school scholarships, grade school literacy, student and teacher awards, leadership training of students (RYLA), KidsPak, and the many grants we award to deserving community service projects. | The **Large Duck sponsorship drive** is in full swing right now. Most of last year's non-Rotarian sponsors have been contacted by Rotarians with positive responses. Most businesses are donating \$250-500, a few up to \$1000. We're still looking to hear of their results from some of our sponsor recruiters. Rotarians and non-Rotarians can become sponsors of our Duck Race Club Foundation with a donation of \$100.00 or more. Businesses can also donate gift certificates for race winners. | Check out these encouraging results from our first **Duck Race ticket sales**

event - the **Loveland Loves BBQ, Bands, and Brews**: Despite the unpredictable weather, we sold \$984 in small ducks and another \$350 in large duck sponsorships! **Many thanks go to all volunteers** that braved the rain and wind to help out. Special thanks to **Becky Huner, Julie Marko, Suzanne Peterson, and Charlie Bouchard** who served as booth captains for this event.

Jerry Westbrook (Historic Event): "We join here today to dedicate this sign as the official Welcome to the City of Loveland on behalf of all service clubs and McWhinney Enterprises," remarked our Jerry Westbrook, who was one of several speakers at the official unveiling event at the NW corner of U.S. Route 34 and Hahns Peak Drive. About 25 people attended the event on Friday morning, July 7. Other project stakeholders who spoke included Brett Stewart (Assistant to the City Manager), Troy McWhinney (Co-Founder of McWhinney Enterprises, Centerra developers), and Beverly Rice (Sales Rep for Schlosser Signs, which designed and built the sign).

Loveland's new welcome sign is its first-ever since the city's founding in 1881 - 142 years ago!
