ANNOUNCEMENTS

Jim Epstein (Get Ready to Bid!) A very special piece of art that celebrates the impact of Loveland Rotary on the community (by digital artist and former District 5440 DG Chuck Rutenberg) will be offered up in the silent auction at our club picnic, announced Jim Epstein. Proceeds from this sale will go either to the LRC Foundation or to KidsPak.

Nanci Garnand & Diane Lapierre (Big Check) The committee for the 2022 Governor’s Art Show & Sale awarded - live, in-person - a check for $20,000 to the Loveland Rotary Foundation to support college scholarships and other community service projects.

Irv Johnson (Suitcases for Ukraine) Mountain View Presbyterian Church (our meeting host for the past two years) is leading a special ministry for the brave and embattled people of Ukraine. It involves packing much needed medicines into large suitcases, which are flown to Ukraine. Once unpacked there, the empty suitcases are donated to Ukrainian refugees fleeing the country. If you have a suitcase to donate, please contact Irv for more information.

PROGRAM

2022-2023 Club President’s Address

Irv Johnson’s new president’s address to club members was both a trip down the memory lane of his own life of service and a call to action - for all of us to explore what could be new, unchartered territories of service that only we, as Rotarians working together, can open up for our community. After sharing fascinating stories about his Colorado roots and about the lessons in empathy he learned from working as an Army chaplain (and teacher of chaplains) with burn victims from the battlefields, Irv challenged us all to find answers to questions like “What is our purpose for being here?” and “What else can we do to make a difference?” He closed the session by exhorting us all to “Be open about yourself and share!” - in discussions at the tables.

Application Received! Todd Carnes (Hayden Lowry, sponsor)

You may also attend via Zoom!

Loveland Fireworks Display for 2022

Loveland fire chief and our own Tim Sendelbach explained that the obvious long gaps during the fireworks at Lake Loveland, this July 4th, were intentional and due to a safety issue (fireworks continuing to drift toward the viewing crowd) that the City was actively seeking to avert.

Happy New Rotary Year!
