### Rotary Membership

Our one and only prayer,  
Is that someday you'll share,  
Your story of Rotary-  
With everyone you see!  
The hopes and the dreams we share,  
How much we really care,  
Our ducks are in a row-  
Now let everyone know-  
But it's all up to you!

"Our New Rotary Year" by new co-presidents **Gail Daugherty & Nicole Whitenight** was fun, inspiring, musical, and interactive! It included these highlights:

Gail offered up her life experience to this point...

- A Rotarian since 2008 and awarded Quiet Rotarian for 2016-2017, Gail was both an elementary school teacher (22 yrs.) and middle school teacher (4 yrs.).
- She joined Rotary to engage with, and contribute to, the Loveland community.

Nicole, likewise delivered her own brief bio...

- Nicole joined Rotary in 2013, with a special interest in serving young people.
- Her many years of teaching special needs students in secondary school led her to be a neurology nurse!

The partnering presidents shared their plans...

- members will get to know each other better by sitting at different tables
- slides to be projected that spotlight members taking part in the opening
- members will benefit by branching out into different committees
- new opportunities to fellowship such as brief table discussions on choice topics during meetings
- members are invited to offer new ideas for programs

Finally, the members were treated to a very thought-provoking video (a TED Talk) by Simon Sinek titled "How Great Leaders Inspire Action," which explored a fascinating theory of what's behind great leaders (and organizations) that is portrayed by *The Golden Circle*.
