ANNOUNCEMENTS: Dwight Brummet and Carol Stark-Sorg asked that members bring your sticks and your participation to the meetings. Dwight Brummet also started a nomination committee to help with an election slate for new Board of Directors and a new President Elect Nominee so let them know if you would like to nominate someone. On August 27th we will not have our regular weekly meeting instead we will meet at the Foundry for the Rotary clock dedication at 5:30pm. Gail Daugherty asked that members please let her know if you or a family member are ill or in the hospital so she can send out cards of support. Bob Eatman announced that the recognition committee is looking for nominations for Quiet Rotarian of the year and please provide details with nominations. Rick Parker asked for volunteers to sell Duck Race tickets at Loveland Loves BBQ on Friday and Saturday (July 26-27). Yvonne Pedersen went to England with the district Friendship Exchange group and a group from England will be here 8/30-9/12 also to visit the area. Carol Stark-Sorg announced that 54 members have had perfect attendance this year.

HISTORY: Betsy Burns announced that in 1990, Loveland Rotary Club members exemplify their organization’s principles, when 27 members recorded 100% attendance. And on August 7, 1990, the Rotary family picnic was held at Viestenz-Smith Park.

PROGRAM: Gail Daugherty introduced Pam Baumgartel who is a fellow dog lover. Pam received her degree from the University of Michigan in Nursing and moved to Loveland in the 1990s. During that time, Pam was instrumental in teaching teachers and students how to use computers. She also adopted her golden retriever, Enzo, and trained him to be a therapy dog. Pam discussed the differences between service and therapy dogs. Service dogs are trained for one dog per one person and are not a pet. They are trained for specific tasks to help someone with a disability and help their partner attain safety and independence. People with service dogs have a federally protected right to have their dog accompany them into businesses. Therapy dogs are trained in basic obedience and are used to provide psychological/physiological therapy to people other than owners. Peg and Enzo visit places like the Loveland Library and MCR to provide support. Therapy dogs are used for high stress situations like in crisis response areas and courtrooms.
