## Inspiration

Phil Ashcraft

“I don't think writers are sacred, but words are. They deserve respect. If you get the right ones in the right order, you might nudge the world a little or make a poem that children will speak for you when you are dead.”

### MORE ITEMS OF INTEREST

**Rick Parker** and

**Kathryn Vilha** of our club's Foundation Board handed checks from the Foundation and the club totaling \$12,500 to **Tom Carrigan** to help pay for KidsPak's new building (at The Forge campus).

## Thanks to the Club

We received a thank you note from scholarship winner Lexi

Custer, of Berthoud, who'll be attending CU - Colo. Springs this fall. And, Michelle Hefner gave us a brief presentation on how her *Global Grant Scholarship* (funding her study abroad for a PhD in Psychology) will enable her to start a new neuro-engineering program at CSU.

## ANNOUNCEMENTS

**Jim Epstein** (*Club Picnic*): Don't forget there's no meeting next week (Jul 18), but rather our club picnic. Do come and enjoy some great Rotary fellowship!

**Pat Williams** (*Did You Know?*): Could you have guessed who these fellow Rotarians are?

*Donald Duck had a beef with my family's table during a Disney Character Dinner. (Because my little sister goosed him!)*

*In the summer of 1992, my whole family built a house in Gunnison, CO!*

## LAST WEEK'S PROGRAM

In his “New Club President Address,” Jim Epstein first gave us a little retrospective of what has led up to him taking on the role of Loveland Rotary Club's next president. Then, he explained his priorities as club president.

These are just a few highlights of President Jim's address:

## Happy Rotary New Year

- This is a great club and I assure you I will do my best to keep it that way.
- Four things about me that you probably don't know:
  - ① I grew up in New York City trapping pigeons in phone booths.
  - ② When I was in the Army, I lived in the women's nurses quarters (and there met my wife Cathy of 55 years!).
  - ③ I once moved to the Seattle area with 200 of my closest friends (colleagues at HP, actually, on a mission to start a new division for the company).
  - ④ I started a micro lending organization in India (that raised money for 7 small businesses) after I retired from HP.
- I joined Rotary when I saw how such a diverse group of people could *make a difference in the lives of people*.
- I see *membership engagement* to be the top priority for our club this next year.
- After reading that our new RI president views “performing acts of kindness” as essential to all that we do in Rotary, I'm adding “Will it be Kind?” to the 4 Way Test - now a 4 Way Test +1 - for this year!
