PROGRAM

Our Loveland Rotary Club Picnic at Fairgrounds Park
was definitely a success! From 4:30 to 5:30 PM, we
hosted a showcase of Rotarian's hobbies and a sale of
Rotarian's crafts and art. This was not a fundraiser but
an opportunity to learn more about our fellow Rotari-
ans, help support their activities and get some unique
items as gifts or for yourself. The picnic buffet opened
at 5:30 PM, and featured barbecue ribs and chicken,
and some fabulous sides. Dessert was equally delec-
table, as usual. The feedback from Rotarians new and
old was very positive and included the following:

*The picnic was fun to re-invent, including sharing the products of Rotarians
and spouses who showcased their skills and talents. So good to see people
I haven't seen in quite a while. The food was terrific by Ken and Jill's staff,
and there just wasn't enough time to visit with everyone, as usu-
al. Thanks to the organizers! ~ Doug Manner*

*This was our first rotary picnic. I loved the display of hobbies. This was one
more level of engagement in understanding the deep stories of our fellow
Rotarians. ~ Julie Marko*

*I personally had a lovely time and would like to thank all the people who
helped with the set up and take down. All that help made it easy and fun.
~ Dixie Schmatz*
