**LAST WEEK'S PROGRAM**

As part of our annual *Outgoing Club President's Roast*, new club co-presidents **Diane Lapierre** and **Bob Tello** - along with many others present - had fun re-telling memorable stories of President **Jim Epstein's** successful and colorful life and their own anecdotes of dealing with his engineering mindset and his humorous side. This is how Jim summed up his experience of being our club president this past year:

*I learned a lot of things during my year as President of the Loveland Rotary Club ... and the future looks bright!*
