Jim Epstein told us that the tutoring program this past year selected 6 schools with the highest need and had 25 volunteers — thank you to everyone who helped with this program. Tom Carri-gan announced that KidsPak is again signed up for the Share the Love event this year and has applied for a city grant. The program also sent food to the teen center at the library and has twice replaced the pantry at Project Self Sufficiency.

THUMBNAIL & INDUCTIONS: Ed Goodyear was born and raised on a dairy farm in Ocala, FL. He served as president of the Rotary Club in Steamboat Springs in 1987, which was also the start of the polio eradication drive and the year that women were inducted into Rotary. Ed was married to his college sweetheart for 54 years and has 3 children. He has worked as a commercial banker and financial advisor and is still an active realtor. Will Byers is a Loveland native and graduated from Mountainview HS. He is an elder law/estate planning attorney in practice with his father. Will attended UC Boulder and law school in Nebraska where he met his wife. The Byers are currently expecting first child. Gail Daugherty and Carol Stark-Sorg inducted Ed Goodyear, Heather Ekre and Will Byers into the club.

PROGRAM: Karl Muriby thanked everyone for their support during his term, especially his wife Jo-anne. He passed the gavel to Dwight Brummet who made the transition to our next Rotary theme and logo. Dixie Schmatz announced that we will have a new Interact Club next year at TVHS and MVHS and they can use help and support. Dwight discussed a couple of changes he would like to make along with making this rotary year fun—in honor of our 100th Anniversary Celebration. Thank you President Karl and welcome President Dwight!
