PROGRAM

“District 5440 Update” by District Governor Elect - Lee Varra-Nelson (Fort Collins Breakfast Club). Her presentation - informed by her vast Rotary experience and personal compassion - included these highlights:

- The district leadership is a true team effort, making possible more continuity and momentum each year.
- Lee reminisced about her early years living in Loveland and the many wonderful things the Loveland Rotary Club (and other nearby clubs) have done… going back to the huge relief efforts for victims of the Big Thompson River Flood of 1976,
- Her career in business and education (CSU) was inspired by the example of Marlene Schilling.
- She praised our club’s efforts in the area of literacy, starting with the dictionaries distributed to kids.
- She also recognized KidsPak for becoming such a force for good by its efforts to combat local hunger.
