ANNOUNCEMENTS

Rotary's Presidential Message for 2026-2027

Olayinka H. Babalola of Nigeria, Rotary International President-elect at the time, called on members to *Create Lasting Impact* at the Rotary International Assembly in Orlando, Florida, USA, on 12 January. He urged members to make their clubs more welcoming, carry out impactful projects, and allow their Rotary experiences to transform them personally. "If we can change ourselves, we can change our districts," he said. "If we can change our districts, we can change the communities we serve. And if we can change our communities, we will change the world." Most Rotary members will be aware that Presidential Messages such as this one have replaced what used to be called the Annual Rotary Themes.
