

## THE FOUR-WAY TEST

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOOD WILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?
- Is it fun?

## **ANNOUNCEMENTS**

**John Stewart and Dwight Brummet** announced that we lost two great Rotarians. Jack Wilson and Dale Hanson both passed away this past week so please keep their families in your thoughts and prayers. Annalise Mechum who was a guest from Boys & Girls Club provided a Covid Relief Fund update. Annalise thanked the LRC for the grant to support their programs, this gave them the ability to open their summer programs. To date the fund has received \$23,095 in gifts which equals \$46,070 with the match. The fund has gifted \$44,000 and please continue to support the fund while the Foundation is still taking donations.

**Drew Johnons** updated the club about the Governor's Art Show and there is a now a rough framework put into place for a virtual opening night and the committee is looking for member support. Drew and Brian will continue to update the club as plans develop. Post opening night limited visitation to the museum is possible and they are working on an online bidding system.

**Chris White & John Stewart** announced that you can purchase sponsorships, tickets and donate money to the duck race online now – [lovelandduckrace.com](http://lovelandduckrace.com). Please like the Facebook page and share the posts if you can. Ticket sales at the Loveland Farmers Market has been successful as well. The Berthoud Club will also be selling tickets at the Berthoud Farmer's Market. Our club will need to help support the Duck Race. Best way to turn in the tickets is to turn them in at the Farmers Market but committee is also working to schedule a special drop off event. Big Duck photos will be due via email no later than Aug 17.

## **PROGRAM**

**John Stewart** introduced John Paul Hansen who is his nephew and a veteran. His military career has spanned 27 years in the Air Force, Navy and Marines. He is now 1 of 24 antiterrorism specialists in the Navy who study and work to prevent terrorist attacks. Paul does teach classes as well as working as a specialist and discussed his experiences combatting terrorism. Paul got started in the Air Force as a crypto-tech then his unit was decommissioned between the Gulf Wars he joined the Marines and started off with law enforcement and guarded the President's helicopter. After a running accident he began to work with the physical security and anti-terrorism group. Paul shared many remarkable stories about how he worked with the anti-terrorist groups.
