## NO MEETING HELD

But we hope you enjoyed our...

### 2023 Loveland Rotary Picnic

This year's picnic was a success thanks to the work of able assistants **Carol Stark**, **John Moore**, and **Nicole Whitenight**, plus a lot of other folks. Attendees included more than 80 regular club members and guests, as well as 13 Thompson Valley Rotary Club and 15 satellite club members.

Attendees were treated to the showcasing of hobbies and crafts for sale (leather goods and other items) by 6 members. Jeff Swanty displayed his beautiful red classic corvette. Our organizational member, **Exodus Moving**, set up a corn hole game and gave away practical little phone stands, while another organizational member **Habitat for Humanity** also had a booth. Thompson Valley Rotary sold their garden hearts that fund the Youth Gardeners program.

The delicious food from **Main Street Catering** and the perfect weather contributed to what was obviously a good time had by all!

Every Rotarian, Rotaractor, Interactor, and Friend of Rotary can create hope by encouraging mental health programs in our communities and helping others find peace in themselves. Hope is the necessary ingredient to accomplish improvements in how people feel about themselves and the prospects for a peaceful world... Please accept our help and encouragement and we pledge our support to you... to move forward during this year and the years that follow. ~ Steve Sehnert (Steamboat Springs club)*
