## PROGRAM

"Music by Branson Camp"

Rotarians and special guests were treated to the beautiful keyboard interpretations and original works of young pianist Branson Camp (grandson of our own **Mary & Gary Camp**.)

The live music was preceded by the showing of this artist's original music video "Fade Away." Musical numbers which followed included hit songs by Norah Jones, Stevie Wonder, Ed Sheeran, and others, as well as several of Branson's original compositions, including one titled "Rain." Audience members were thrilled when unexpectedly Gary and Branson jammed together at the end with a couple of piano duets of old-time rock and roll tunes from the 1960s.
