ANNOUNCEMENTS: Chris White announced that we will have a booth at Loveland Loves BBQ to sell duck race tickets and they still need help. Bob Eatman and Mary McCambridge announced that Charlie Peterson passed away—he was Fort Collins Rotary past president and known as Mr. Rotary. His service will be on July 11th at 11:30 am at Timberline Church and memorials will be for the RI Foundation or Rotary Fort Collins Breakfast Club Foundation.

HISTORY: Miki Roth told us about Loveland Rotary from November 1991-July 1994. November 1991, fifty four Loveland Rotarians and friends traveled to Estes Park for a joint meeting with Estes Park Rotary Club in the Stanley Hotel. February 1992, R.I. President Rajendra K. Sabood spoke to sixty five Rotarians and guests at the Chilson Center. March 1993, Harold Ferguson received the Colorado Association of Non-Profit Organizations for a Vision for the Community Award for the organization of Ferguson High School. July 1994, We begin our 75th year and Betsy Burns was installed as the first female President of Loveland Rotary.

PROGRAM: Scoot Childers introduced Rich Ball who talked about the history of Lake Loveland. The founder of Loveland, David Barnes, understood importance of water and began digging the Barnes ditch in 1865. The main ditch later served as the inlet ditch for Lake Loveland. In 1881, the first of several companies was formed and named the Loveland/Greeley Irrigation & Land Company. In 1893, Barnes ditch was enlarged and in 1895, water flowed down Barnes ditch (3 miles) to fill Lake Loveland. Water rights, land and water went up for sale around 1900, and Greeley businessmen and farmers purchased the lake and formed new company called Greeley & Loveland Irrigation Company and they still own the water system today. A tower was constructed in the North Bay by the City of Greeley in 1984, and is used to move water to the city.
