ANNOUNCEMENTS

Jim Epstein (*Club Picnic*): I’m happy to report we had a total turnout of 112 people at our summer picnic that included 13 Loveland Satellite, 2 Berthoud Satellite, and 13 Thompson Valley Club members. Yeah!

Gary Camp & Charlie Bouchard (*Four Way Test Program*): Gary and Charlie will co-chair a reconstituted *Four Way Test in Middle Schools* program coming soon. The new committee they are forming will need at least 20 volunteers to kick off this highly popular interactive program with middle schoolers in the Thompson School District this fall. Training will be provided for new folks willing to participate. No teaching experience is required. | In the past, this youth service program has proven to be a great way to help 8th Grade students learn good decision making for their future. They solve problems by applying Rotary’s Four Way Test. Please let Gary or Charlie know if you’re interested being a part of this endeavor!
