Rotary After Hours

Thursday, July 31 at **Chris White's** home Rotarians gathered for a very successful after hours fellowship. Great food, drink and conversation were shared in an informal and fraternal setting.

Inspiration

There's a quiet kind of power that lives in the choices we make every day — how we treat people, how we show up, and how we serve. **Hayden Lowry** shared a story that reminds us of the profound impact of something as simple as a **positive attitude** and a **grateful heart**.

LAST WEEK'S PROGRAM

Mary Camp's program featured six kids who had just recently completed Rotary's summer camps. Four young women from the RYLA camp and two young men from the YoungRYLA camp related their experi-ences. The young attendees recounted the impact of their participation by relating their high/low points, their favorite staff members, the impact of the volley-ball tournament and the evening chats. Parents of several of the attendees were at the meeting and shared their insights into the growth of their kids as a result of their par-ticipation in the camps.
