PROGRAM

Tim Veldhuizen, founder of 11 local restaurants, in his "Farm to Fork" talk, spoke about the exciting new ventures he's embarked on, as he's moved from being a restaurateur to being a farmer! These are highlights:

- The dairy he's leased, along with his Dutch Belted cows, will supply the raw milk for several aged cheeses
- This is the only licensed sheep dairy in CO
- On the Loveland farm museum property, he'll open a new "farm to table" restaurant
- He'll start farming and milling his own heritage grain wheat
