ANNOUNCEMENTS

Jim Epstein (*Random Act of Kindness*): One of our club members spent the day with another club member who can't be left alone to give the current caregiver time to visit a sick relative. Everyone had a good time.

(*Board Meeting Report*): The board met last Wednesday and approved ① a request to contribute \$3,000 to the student awards including materials and ② an additional \$1,000 for various literacy projects. (*Good News*): Our good friend and fellow Rotarian **Dick Schilling** is back home now, and continues to be on the mend.

Carol Stark (*Recognition*): **Dick Barton** was awarded his Paul Harris +5 pin for his support of RI Foundation.

Dick Barton (*Opportunities for Generosity*): As you give to the Maui Relief Fund, also consider giving to disaster relief efforts in Ukraine and to help victims of Canadian wildfires. What is happening in Ukraine is genocide, and the Canadian wildfires have burned 53,000 square miles (1/2 the size of Colorado), causing the evacuation of Yellowknife (population of more than 20,000).

Lyle Jones - Berthoud Satellite Club (*Special Event*): Berthoud Satellite's "Around the World Passport Dinner" with 5 different restaurants in Berthoud each serving a dish from a different country will be held Thursday, Sep 14, from 5:30 - 8 PM. You can visit participating restaurants any time during the evening with everyone finishing at the Cornerstone Caffe. Tickets are \$65. You can buy tickets by contacting Lyle Jones at lylefjones@gmail.com or 770-876-0655.

LAST WEEK'S PROGRAM

Dave Mills once again treated members and guests with a highly informative travelogue about the wonders of South Korea - the latest destination of this globe-trotting couple. Highlights:

- S. Korea, though smaller than its northern neighbor, has twice as many people.
- The Korean alphabet (with 40 letters vs. the 25,000 characters of Chinese) was

invented to help the poor learn to read. • Strict gun laws result in only 50 gun deaths/yr. (vs. 49,000/yr. in U.S.) • S. Korea's architecture (both traditional and modern), sand sculptures at the beaches, and nighttime lighting displays over the cities' skylines are just a few of the breathtaking discoveries that await you here.
