Please contact Charlie.

PROGRAM

Diane Lapierre and a crew of co-presenters (Nanci Garnand, Mary McCambridge, Cindy Gully, Ruth Scott, and Kim Akeley-Charron (of Thompson Education Foundation) delivered a wonderful presentation on the *Governor's Art Show & Sale*. The program included a look at the past, present, and future of the event. Highlights included these:

- Originally known as *Rotary Sculpture Show*, this ever popular event was first held at Affiliated First National Bank.
- With the *Governor's Art Show* name change, it was required that all artists live and work in Colorado.
- The event thrived even more when Loveland Rotary and Thompson Valley Rotary partnered on it.
- It's one of most consistently and well attended shows held each year at the Loveland Museum.
- This year, for the first time ever, the governor of Colorado (Jared Polis) came to the show!
