Welcome Don!

New member **Don Oft** gave us his 3-min. life story. Don graduated from UNC. He not only works in financial

services for New York Life, but he and his wife Stephanie are pastors at Impact Church in Loveland. Afterwards, Don was inducted into our club, with Stephanie looking on. **Nanci Garnand** is his sponsor and **Charlie Bouchard** his mentor.

ANNOUNCEMENTS

Co-President Diane (*Big Check*): Diane gave a \$15,000 check from the Governor's Art Show to **Charlie Bouchard** (for our Foundation). Proceeds from the art show also went to Thompson Education Foundation (\$23,500). Diane shared the art show's record-breaking \$167,000 in art sales and 530 sponsors and others at the Gala. Yeah! (*Big Thanks*): Diane also recognized members of our picnic organizing team for their great efforts in giving us a memorable summer picnic (Jul 23).

Co-President Bob (*Rotarians in Need*): **Dick Barton** (after his terrible car accident) is now alert, oriented, and feeling positive. **Norma Perez** is recovering from neck surgery. Keep good thoughts going their way.

Jerry Westbrook (*Loveland History*): Jerry reminded us of the anniversary (July 31) of a major catastrophe in our community's history - the big flood of 1976. He recommended the *Reporter-Herald* article “Chaos in the Big Thompson Canyon” by John Nagel.

This is the original 1924 municipal power plant in the Viestenz-Smith Mountain Park. It was completely washed away in the 1976 Big Thompson Flood leaving only the damaged remains of the turbines and generators. (Photo courtesy of the Loveland Public Library)

LAST WEEK'S PROGRAM

Our Fellowship Committee offered the opportunity for members (via table discussions) to share stories of their personal careers and work experiences. The room was abuzz with storytelling, oohhs and aahhs, and laughter. Many of us, it seems, have colorful work histories, to say the least!
