COMMITTEE REPORTS: Dick Bradsby gave a report about the Student-Teacher Recognition Committee. Our club recognizes 10 students and teachers throughout the year. We have been recognizing students since 1982. Students are chosen by their counselors and are invited to lunch, awarded a certificate and $500. Teachers have been recognized since 2005, and are nominated by their peers. Teachers are invited to lunch, awarded a certificate, a check for $500 and an overnight stay at the Embassy Suites. Dixie Schmatz introduced students from the Big Thompson Interact Clubs in Loveland who just finished a tent-a-thon project for ShelterBox. Students represent Loveland HS, Thompson Valley HS and Mountainview HS. The club has done many projects throughout the year.

PROGRAM: Charlie Bouchard introduced Heather Price who is just back after spending a year as an exchange student in Italy. Heather really enjoyed her year in Italy and it meant a lot to her and she spent most of her year in Como, Italy. She went to linguistic school to learn Italian, learned rowing, tennis and travelled. She also became an Italian Scout and attended Rotary meetings. Heather focused on service above self during her exchange by doing missionary work, volunteering at Rotary events and helping clean up Italian beaches. Heather was accepted into the President’s Leadership Program at CSU and will be majoring in business or biology. She wants to thank Rotary for the opportunity and experiences!
