ANNOUNCEMENTS

John Turnage (*Clean Water Projects*): The Int'l Service Committee plans a trip to Tehuacan, Mexico to bring more *Mighty Water* filter systems to that area. The team will leave on Oct 27 and return on Nov 4. The trip will include a celebration in Tehuacan, as well as the *Day of the Dead* festival in Mexico City. If you are interested in joining this team, please contact **John Turnage** for details.

John Moore (*Club Website*): We will soon upgrade our ClubRunner website platform to its NOVA version, where changes are confined to the back-end of the website - *Members* area. If you experience any problems with it, please contact **John Moore** or **Bill Eads** (chair) on the Website Committee.

Rick Parker (*Membership Moment*): Rick - who has been a Loveland Rotarian for 11 years, after he determined that this club would afford him many opportunities to "give back to the community" - encouraged all of us to invite "other people just like you" to our club.

Julie Marko (*LRC Grant Awards*):

Pres. Julie presented 7 Loveland Rotary grant award checks to the following organizations:

- ① *Habitat for Humanity* ② *St. Lukes Medical Clinic* ③ *KidsPak*
- ④ *Rez Q (Horse Medicine)*
- ⑤ *Boys and Girls Club of Larimer County*
- ⑥ *Birthline* ⑦ *Girls Scouts of America*

LAST WEEK'S PROGRAM

Because Dr. Bret Heller was unable to deliver an *Update on Thompson School District*, Mike Hausman, Public Information Officer for TSD, gave the presentation. He conveyed the progress they are making with the first strategic plan since the Covid pandemic years. TSD's *mission* remains the same: **Empower** to Learn, **Challenge** to Achieve, and **Inspire** to Excel. The proposed new *vision* for TSD is **One District, One Vision**: A school community where each student thrives, every individual is valued, and excellence is the standard for all. This vision of the plan is characterized by the new motto, **ONE TSD**.
