ANNOUNCEMENTS

Leslie Glover - Estes Park Sunrise

Club (Big Raffle!): A great event to
fund Rotary Club scholarships: • *Autumn
Gold Festival*, Bond Park in Estes, Sep 23-24 •
Lots of beer, brats & bands (incl. an *Eagles* tribu-
te band) • \$100 raffle tickets for a \$10,000
Grand Prize! • There's a 1 in 50 chance of win-
ning one of the prizes!

Jim Epstein (*Dick Will Be Back!*): A note
from one we haven't seen for a while...

*I wished I could personally thank every one of my Rotary
friends for their cards, encouragement, and well wishes...
I hope to... when I get back in a few weeks. Till then, I
wish you all health and happiness. ~ Dick Schilling*

Chris White & Duck Race Team (*Surprising Results!*):

The impossible happened. Rotarians bought only 15%
of the tickets, but we had the first 5 winning ducks! To
avoid bad PR, the DREC allocated an additional \$1,750
in another set of 1st, 2nd,

and 3rd place prizes for the
next 3 ducks (bought by non-
Rotarians). Net proceeds
(after both 1st place winners
donated their winnings back

to the club) was \$30,000 going to our foundation!

*Thank you,
Chris!*

LAST WEEK'S PROGRAM

This double-feature program by our International
Committee included the following highlights:

Mixteca Water Filter Project

John Turnage spoke about the water filter project in

Mexico: • These relatively low-cost, easy-to-install water filters
provide clean drinking water for indigenous people who need it
badly. • The people of Mixteca region (Southern Mexico) are already
good at capturing their scarce rain water - but it is not potable. •
Rotarians are invited to join this team (incl Mexican Rotarians) in
Spring 2024 for 7-10 days to help set-up, distribute, and educate the
locals on these filters. • Cost is only \$1,500 (airfare + 1 hotel night).

Navajo Nation

2023 Mission

May 11-18, 2023

Mark Anderson inspired us with the horse medicine

project for Indian reservations in AZ & NM: • Horses in
Navajo land are sorely in need of proper veterinary care. • This
project (giving 12 vet students college credit) gave 400 horses vac-
cinations, dental care, hoof trimming, and other vital medical care.
