## PROGRAM

**Bob Eatman's "4WT Middle School Program"**

included the following

highlights:

- **Bob Eatman** and **Julie Johnson Haffner** started this 15 years ago.
- This year, 1,200 8th graders could participate.
- Program's mission is to help today's young people (who face daunting challenges) learn how to make better and more effective decisions in their lives.
- 4-Way Test scenarios are sent to 8th grade social studies teachers... the facilitators do not provide solutions but rather help students apply the 4WT.
- When the program can resume is uncertain due to the current situation with the COVID Delta variant.
