ANNOUNCEMENTS

Mary McCambridge

(Giving): Our own Rotary Foundation - from which our club can obtain global grants to do good in the world - is an outstanding

charitable foundation. By giving to it generously, you too can be a part of what Rotary does in the world!

Jim Epstein (*Promote Our Club*): Jim shared the new club brochure that our Membership Committee has made available for us to use to attract new members to our club. Please hand these out whenever you can!

Bill Eads (*Vital Club Training*): If you're a committee chair, board member, or anyone desiring to contribute more, you won't want to miss the hands-on training that's coming in a few weeks (Oct 8). In this training, you'll learn how to save time and effort in storing, managing, and finding Rotary-related pictures, files, and emails. It's time to help one another to share the wealth!

Alistair MacDonald (*Constitution Day*): Alistair told the inspiring story of how a college student in Texas resurrected the 27th Amendment - first proposed by James Madison in 1789 - and finally got it ratified by all the states in 1992!

Ted Pearson (*Thumbnail*): New member Ted shared his life story. Highlights: • Born and raised in the Bay Area (CA). • Graduated from San Jose State Univ. • Over the years, his beverage industry career moved from CA to AZ to CO... and from wine to beer to coffee! • With his wife Mary Beth he enjoys hiking, walking on the beach, and eating their favorite Gelato flavors. It's great to have you in our club, Ted!

LAST WEEK'S PROGRAM

Dr. Melissa Schneider (Asst Superintendent) & Gordon Jones (CFO)

updated club members on all the latest news of the Thompson R2-J School District. Highlights: • TSD has more than 15,000 students and 2,700 staff members. • It awarded \$19 million in scholarships in 2023. • Some points of pride: students that regularly win prestigious scholarship awards, Teacher Jessica May (Turner Middle School) named 2024 Colorado Teacher of the Year! • TSD is also proud of its Thompson Career Campus (vocational training) where students learn skilled trades, healthcare roles, etc.
