COMMITTEE REPORT: **Mary McCambridge** told
us that Rotary International trips can change the way
you think about RI. She introduced **Dr. Mark Ander-
son** who told the club about his RI visits. **Dave Mills**
started the committee and there are 11 members who
try to find and support different projects around the
world. Education, literacy, water, education, child and
maternal health projects are some of the focus areas.

PROGRAM: **Scoot Childers** introduced Dr. Bob
Meroney who talked about Charlie Brown Theology
and Charles Shultz. Peanuts was the first cartoon to
include more than 1-2 characters and Shultz was the
first cartoonist to mention themes from the Bible. In
October of 1950 Peanuts was first published and in Jan-
uary 2000 the family asked that no other comics be
published. Peanut's became the world's most widely
read comic strip and was published in over 40 languages.
Charles Shultz felt a responsibility to have a message in
his comics. He had 12 different characters that devel-
oped through the comics all with different personalities.
Shultz also integrated short meditations and related
scriptures to the cartoons into his comic strips.
