ANNOUCEMENTS: Dwight Brummet let the club know that Stan Black is in hospice. Also, if anyone is interested in attending the Fall District Assembly on Oct 5th, see Dwight. There is a DAM Project in India and if members would like to help or learn more you can see Dwight for details. Brian Nienhaus gave a check to the club for $17,500 which were the net proceeds from the Governor’s Art Show and one third goes to Thompson Education Foundation. Gail Daugherty announced that we need more people for the membership committee. Cindy Guldy announced that on Oct 1st, we will have no noon meeting. Instead, we will have an evening FUNraiser to support the club’s 100th Anniversary party so if you’d like to donate let her know. Irv Johnson said the light from the podium is missing so please be on the lookout.

KINDNESS AWARD COMMITTEE: Chris White announced that the Kindness Award Committee gave out awards in 2019. Chris is the chair of the committee and explained that the purpose of the award is to promote kindness as a value with middle school students. A $750 grant was awarded to 6 middle schools in TSD to sponsor projects and activities that promote kindness.

THUMBNAIL: Kelso Kelly thanked the club for the warm welcome. He was born in Virginia on an Angus farm and graduated from Har- grave Military Academy. He got a business management degree from University of Colorado. After college, he traveled the road with a rock band and then decided to go work for a bank. He’s done every job in a bank from teller on up to CEO. Kelso has been married to his wife Lisa for 34 years and recently started working at the local ANB branch here in Loveland.

PROGRAM: Phil Ashcraft introduced Donald Runnells who is a professor emeritus of Geology at UC Boulder. Mr. Runnells talked to us about WWII and remembering the 75th year of DDay. His focus was on Western Europe and his brother Curtis Runnells was a pilot during WWII. A side note was that the Loveland VFW served as the activity hall for the Greeley German POW camp before it was turned into the VFW. On Dec. 8, 1941, America entered war and lost 405,399 Americans during the war. The Normandy Invasion on July 6, 1944, had 2 American divisions on Utah Beach & Omaha Beach. There were about 5,000 ships and by the end of DDay, 140,000 Allied troops had landed. Huertgan Forest was also a tough battle that was long & had many American casualties.
