ANNOUNCEMENTS

Jim Epstein (Various): • Our club is donating \$3,395 to our **Maui Relief efforts** (which includes \$2,395 from members, plus the board's matching \$1,000)! • Many thanks to **Ron Weinberg, our club webmaster**, for his years of service; **Bill Eads** has graciously volunteered to assume these duties. • Please save the date for this fall's **District 5440 Assembly** - Oct 7, 10 AM to 3 PM, at Laramie County Community College, in Cheyenne, WY. Mental health is the theme.

Gail Daugherty (Fellowship Committee Event): If you're in the mood for some good live entertainment... you may really like the *Rotary at Candlelight Dinner Theater* event - featuring "Million Dollar Quartet" - on Oct 14, at 12 Noon. Tickets are \$72.60 for dinner and show.

Please make checks payable to Gail NLT Sep 5!

Chris White (Duck Race Results): Suffice it to say, this year's Duck Race (during the Corn Roast Festival) was a real success despite early fears of bad weather and a too-high river level. The new parade float was a big hit (thanks to **Lydia Wolfe** and others), and the decorated ducks at the ticket booth helped draw many last minute ticket buyers (thanks to **Bob Tello** and **John Moore**). Many thanks to all who volunteered this year!

LAST WEEK'S PROGRAM

An interactive program by the Fellowship Committee enabled lots of spirited table discussions

Whatever

among members, as they shared

their preferences and passions regarding various topics. Here are just a few recollections and anecdotes:

Table Topic - Pets: Tom Carrigan, who rescues Greyhounds, told how these dogs are relied upon as blood donors by CSU vet school because of their large hearts and lungs, and their abundant red blood cells. These pet lovers also discussed the grief experienced with losing a beloved pet, as well as what's important in finding a new pet.

Table Topic - Fishing: Diane Lapierre has gone fishing on every continent except Antarctica!

Table Topic - Cooking: Norm Rehme loves baking bread, **George Stroh** makes a mean pepper steak, **Becky Grob** loves making traditional Norwegian foods. If you ever hanker for haggis, **Alistair MacDonald** is the man to see. And **Doug Rutledge** is an all-around talented chef in a wide variety of cuisines.

Table Topic - Movies & TV: These film buffs agreed that British TV shows can be much more intriguing than American ones, and that even engineers should find musicals very entertaining. Why not?
