THE FOUR WAY TEST
1 Is it the TRUTH?
2 Is it FAIR to all concerned?
3 Will it build GOOD WILL & BETTER FRIENDSHIPS?
4 Will it be BENEFICIAL to all concerned?

P.O. Box 1144, Loveland, CO 80538
District 5440, Club 1113
Chartered in 1920 as Club 685
ANNOUNCEMENTS

Jim Epstein announced a tour of the Big Thompson Elementary School Nature Area where our club gave a grant for renovation several years ago. The tour will be on Thursday September 15 at 4:30pm and will last about an hour.

Irv Johnson (In Memoriam) reported the passing of Anne Anderson, mother of Rotarian Mark Anderson and wife of the late Fred Anderson, a past member of the club.

Irv Johnson announced that the Duck Race float placed third in its group in the Corn Roast Parade. Speculation is that it was because this year, driver John Fogle was accompanied in the truck by his wife.

Alistair McDonald reminded the club about the Purple Heart Award and presented to Irv Johnson the Rotary Blue Heart Award honoring his persistent leadership even in the face of injury while gathering ducks at the end of the Duck Race. Congratulations, Irv!

Jerry Westbrook reminded the club that it’s football season again and that his team needs help with Loveland High School football game ticket sales, starting on September 16. If you can help, contact Jerry!

PROGRAM

Dr. Bob Tello presented the program on Polio Eradication, including a historical perspective from as early as 1916, the Salk and Sabin vaccinations of the 1950s, and the current outbreaks in NYC, London, and Israel. He explained how the virus spreads and how the injected (Salk, using dead virus) and oral (Sabin, using live, weakened virus) work, explaining that the current outbreak is due to oral vaccines with a live virus and mutations of that virus. Dr. Tello also provided statistics showing the decline of polio throughout the world, with a positive step being taken in 2020 with the introduction of a new oral vaccine which cannot mutate. Rotary has a new strategy for 2022-2026 to eradicate polio. Dr. Tello urged Rotarians to sign up for the Polio Plus Society, which requires an annual pledge of only $100. This can be accessed via our club’s website or the RI website.
