**ANNOUNCEMENTS**

**Carol Stark-Sorg** - RI Foundation reported $108 million was raised even during our COVID summer!

**John Stewart** - Reported **John Curtis** won the Old Chicago pizza bid ($301.00) - a Duck Race serendipity!

**Tom Carrigan** - Last Friday the KidsPak summer program successfully concluded. Tom was happy to report that over 122,000 meals went to Thompson School District families during the previous 12 months!

**Jim Epstein** - Although polio eradication in Africa was announced, there are vaccine-derived cases (weakened version of polio) that still exist there. The new solution is to (1) achieve max. vaccination rate (with existing vaccine), and (2) start using newer oral vaccine if not more expensive injectable vaccine in that population.

**PROGRAM**

**Loveland Police Chief Robert L. Ticer** (introduced by **John Stewart**) spoke on “Loveland Police Department” (status update for first half of 2020). Some highlights of his talk included the following:

- There are several very positive stats to report: Part-1 crimes (most serious crimes reported to FBI) are down 26%, and injury-related car crashes are down 36%.
- The new high-capacity, state-of-the-art police driving training facility, being produced by a partnership between Fort Collins and Loveland departments, will be completed in a few months.
- The CRIS program of resource sharing (including dispatch services) for greater efficiencies between Larimer Sheriff, Fort Collins Police, and Loveland Police has been kicked-off this year.
- Loveland citizens can be proud of the fact that most new policing requirements in Colorado’s latest police reform bill (use of force policies, escalation rules, body-worn camera requirements, etc.) are things Loveland Police have long been doing.
- Loveland Police Dept. continues to earn very positive feedback from the community, boasts an above-average level of diversity among staff, and maintains high standards for character in its hiring practices and background screening.
- Currently, two SummitStone mental health counselors (full-time, grant-funded) work with officers to handle non-crime-related mental health crises.
