Duck Race Executive Committee

(Public Notice Regarding The 2025 Loveland Rubber Duck Race Announcement of Prize Winners)

Rubber Duck Race

The Rotary Club of Loveland recently held its 30th annual Rubber Duck Race August 23rd before a live audience of cheering fans and race participants on the banks of the Big Thompson River in Fairgrounds Park, during the Corn Roast Festival.

At this time, we must inform participants that the announcement of Duck Race prize winners will be delayed. This decision has been made due to credible allegations of irregularities and possible fraudulent activity affecting the outcome of the Duck Race, which are currently under investigation.

While we understand this delay may cause disappointment, our priority is to ensure the fairness, transparency, and integrity of the Loveland Rubber Duck Race. We are committed to conducting a thorough review before announcing winners, and we will provide updates as more information becomes available.

We sincerely thank you for your patience and understanding as we work to resolve this matter responsibly.
