Our commitment to diversity, equity, and inclusion will also be an important focus during the event, which will be packed with thought-provoking speakers and practical breakout sessions. The 2022 convention in Houston, Texas, USA, offered plenty of inspiring moments as Rotary's global network gathered in person for the first time since 2019, following two conventions that were held virtually because of COVID-19. The convention offered participants new horizons to discover through in-person events and a robust schedule of virtual offerings (with recordings available through 31 August).
