Thanks to sponsors like you, Metroport Rotary Charities awarded over \$20,000 of scholarships in 2019 and over \$295,000 in the last 15 years. Scholarship proceeds are awarded to local students with financial need who are going on to an institution of higher education.

Non-designated funds are used for scholarships, community grants, hands on work or support for humanitarian projects. In the last 12 months we've awarded over \$9,000 of grants to local community organizations. These awards go where the need is great: funds to local organizations like Metroport Meals on Wheels to provide meals for the homebound, GallantFew for programs to prevent veteran isolation, Miracle League to support baseball for disabled kids, Roanoke Food Pantry for Christmas dinners & gifts to families that cannot afford them and Victory Therapy Center to provide equine therapy for patients that cannot afford to pay. International awards provide assistance to children or aid to disaster stricken communities.
