ROTARY CLUB**

## **WineDiscovery 2019 Metroport Rotary Charities Scholarship Program Explained** v1.0

*Drop in or visit us at the Marriott  
Solana in Westlake TX on Fridays at  
7am!*

We invite you to stand with us to award scholarships to graduating students from Northwest, Byron Nelson, Carroll High Schools, Westlake Academy, Tarrant County College (TCC) or Christhaven.

Scholarships are awarded in \$500 increments over \$1,000, e.g. \$1,000, \$1,500, \$2,000, \$2,500. The more you give the more you get in recognition through event advertisement, notoriety and satisfaction gleaned. Any donation over \$500 is recognized and certainly there is no maximum. As much as you, your company or personnel want to contribute is welcomed.

Each scholarship applicant will be rated using the established Metroport Rotary rating system, which includes the following criteria:

Financial Need	Leadership Roles
Academic Achievement	Extra-Curricular Activities
Other Activities or Employment	Awards & Recognition
Interact/RYLA Participation	

Each scholarship is awarded via certificate at the scholarship applicants' award ceremony. The money is sent to the school the scholar is registered to attend, in their name, for their use while attending that school. For scholarships of \$2500 or more, we strongly encourage you to write a letter of congratulations to the scholarship recipient including your contact information. We will give the letter to the recipient when they receive their scholarship.

We are asking local businesses and community leaders to stand with us to help deserving children in the North Tarrant County area. Help us raise the bar on donations, increase the amount awarded and the number of students awarded scholarships . . . after all they are our FUTURE. You can donate now.

We also invite you to join us on May 4, 2019 from 7 to 10:30pm, at the MARQ of Southlake for our 15th Annual WineDiscovery Event. Through donations like yours, the Metroport Rotary club awarded over \$23,000 of scholarships in 2018 and over \$275,000 in scholarships in the past 14 years. There is always more we can do and more deserving children than money.
