APOLOGIES

Yet another reminder to members that if you are not going to be able to attend a meeting you should contact the **Bairnsdale Club 51524301**. They will enter your name in the apologies book and then the President and members will know that you will not be attending. The same applies if you intend to bring a guest etc.

When we have small numbers then the club may put us in the smaller room so that they can accommodate any larger groups.

If you away for an extended length of time it is up to you enter your name in the apologies book in the back, indicating when you will be returning.

These rules have been in place for quite some time now so please remember for the future. Thanks

MORADABAD

Last week we received an update about the free medical camps in Moradabad. This was one of the camps that Ula and Gillian saw on their recent visit. It is very satisfying that our District has help make it all happen

It is our pleasure to inform all friends and well-wishers that the following Medical Camps were organized in the month of April 2018 by S.S.G. Foundation in collaboration with Sri Sai Hospital, Rotary Club Moradabad and Rotary Clubs of Australia RI Districts 9810 and 9820

1. 07.04.18 Village Niwad Khas
2. 10.04.18 Islam Nagar, Karula
3. 13.04.18 Village Malakpur Saimli
4. 23.04.18 Village Ladawali
5. 27.04.18 Village Trilokpur & 05 other outreach villages

TOTAL patients treated 1610, children immunized 481, Pregnant women provided ANC/TT 94, Hygiene training provided to 460 persons.

The District Health Department, Moradabad supported these Free Medical Camps.

GUEST SPEAKER CLUB INFORMATION

Last week Gillian gave us a quick tour of the clubs' website. Some members have used it in the past, but some have not. There you can download the bulletins, see all our office bearers, contact them by e-mail, check to see who the speakers will be in the coming weeks plus catch up on some of the clubs' news. If you then log in through the Member Area, you have access to all your own information to edit and some member information.

The same login will get you onto the District site, in the background to download reference material and see you to contact in the district for any help that you might require.

The Rotary International site can also offer you support for projects etc. This is a different log in process, if not already registered with them go to

<https://my.rotary.org/en>

then choose Register, if not already a member and follow the prompts. The e-mail address that you are recognised by in Rotary is the login, then when a link is sent you can set your password. There can be an issue with husbands and wives when both are members and use a common e-mail as RI does not recognise the same e-mail for two people. You can just share the one log in or perhaps get a gmail/hotmail account.

As we are now well and truly in the age of technology it is becoming more important that members try to get with the program.

Below are logos to be used when creating, letterheads, leaflets, invitations etc. Save for your records

Our club brand specific to us

Combined Rotary brand with 2018-2019 theme logo

Our club has had its own customised letterhead for many years now and it is updated on an annual basis. We should always use this and not outdated versions that does not give the correct impression of our club. Carolyn and Ula reported that District is very keen for all clubs to ensure all marketing materials are up to date.
