Be the Inspiration

"I ask all of you to Be the Inspiration to help Rotary move from reaction to action — to take a hard look at the environmental issues that affect health and welfare around the world and do what we can to help."

FARMERS RELIEF

This week saw another 38 bales arrive in Bairnsdale organised by the Rotary Club of Lilydale and Rob Bennett (Lilydale). Our club will be paying half of the cost of the hay plus cartage and thank Lilydale for bringing it from a farm in Dimboola. Rob Bennett freighted the bales to us and they were unloaded at Grinters, where the farmers will be able to collect. Rex has had a busy few days phoning around to identify recipients, some farmers have even contacted up through our Facebook page. As always it is great to know that we are making a difference and with the feed back that we have been receiving we know that the farmers appreciate what we are doing.

We have received a further donation from St Pauls in Sale which will go for more feed. At our Board Meeting we discussed that we should purchase pellets locally, for cattle and sheep as the price of hay escalates.

All hands on deck for the BBQ on Sunday 7, October and keep your fingers crossed for good weather. We are sure that it will be a great day.

Do you know anyone who might be interested?

The Inner Wheel Club of Bairnsdale is holding a fashion parade in conjunction with Noni B with all proceeds going to MND.

It is at St Mary's Parish Centre on Saturday, 13th of October at 1.00pm. Tickets available from Ula, 0409568649

SAFE WATER FOR EVERY CHILD

Charlie Speirs' DG Partner's Project 2018-19 is to raise money to install SkyHydrant Water Filtration systems in Third World Schools. The SkyHydrant is a proven sustainable method of removing all bacteria and dirt & produces 1000 litres of safe water an hour. Charlie's target is \$15,000 - this sum will allow the opportunity to raise a Global Grant from Rotary Foundation which would double the money available to installing Skyhydrants in schools. Let's get behind this project and raise funds for this as EVERY child in the world deserves SAFE WATER!

This request was forwarded to us by the Rotary Club of Bairnsdale Sunrise asking for helpers as marshals on the day. I said I would pass on to all our members. Thanks, Gillian

This major cycling event, you know push bike racing !!!!!!! is on the Thursday the 18th to Sunday the 21st October. First 3 days are in Metung and Sawm Reach area and the Sunday in Paynesville.

Simon Anderson and Carina are major sponsors along with the Big Garage Ian McKenzie. Cycling Australia is asking for volunteers.

Please push hard for volunteer marshals as I am really short on these, even with the Rotary Club .If they are happy to help we would give a donation back to the club.
