## Bairnsdale Show Gates

The show committee has given us the details for manning the gates on Saturday 11 November. It will be slightly different than last year and it looks as if we will be in charge of the pavilion gate, which will be mainly for exhibitors and competitors. Times required 7.30 am to 4.30 pm. I will be asking members to let me know if and at what times they will be available on the day. We can only hope that the weather is a little kinder than last year.

## Vocational Visit – Tambo Waste

On 14 November we will be having a vocational visit to the Tambo Waste Recycling Plant at 76/78 McMillan St, Bairnsdale. We will be meeting at there at 6.15 pm and after the visit will go to the Bairnsdale Club for a later meal. We will need to confirm numbers of members who will have a meal, which will probably be an informal night. Let John Walker know so that we can confirm with the Bairnsdale Club ASAP.

## DOOR & WELCOME ROSTER

## **BOARD MEETING**

Another Board Meeting bites the dust and things are going along well.

### **President**

Tony is happy with the way things are progressing for the year. Plans are underway for the joint Christmas breakup with Mitchell River Club.

### **Secretary**

Most correspondence comes via email these days and is distributed to all members, so we are all kept well informed.

### **Treasurer**

Monies have been transferred to the Projects Account for use on future projects. The Hariti Scholarship monies from the function in January, has been sent to the Jogjakarta Tamansari Club for distribution at the upcoming presentation ceremony. Monies have been sent to Nagle College for Presentation Night, the same will be given to the Secondary College. All members' fees now up to date.

### **International**

Awake and Shine School should be back on track as the unrest in the area has settled down. Members from the Benalla Club have travelled over there, but did not take the sponsorship monies that we have collected, so we will have to wait and see when it will get there. Gillian and Chris to organise the social night 9 January 2018 re Hariti Scholarships, to be hosted by Rex and Cec at their home, thanks for the offer!!

### **Community**

A successful Hat Night raising \$168.00 for ARHR. The club decided to pledge \$5000.00 towards the Hope Restart Centre, to be handed over when needed. We will be manning the gates at the Bairnsdale Show, Saturday 11 November (a roster will be organised at this week's meeting). If we are going to do the health care kits again this year we need to access a District Grant if we can.

### **Foundational**

On track with the Polio Plus film night, our club is organising the sandwiches so some volunteers required, Patricia has already put her hand up. We hope that all members have been able to sell all their tickets.

### **Membership**

Another potential member in the wings and Tony M has a couple more as in the wings, we may be lowering our average age yet

### **Public Relations**

Still getting in the paper on a regular basis and bulletins are available from our website. Facebook still getting many hits and stories posted on a regular basis.

## **PIZZA NIGHT JOHN CRAWFORDS TUESDAY 21 NOVEMBER 2017**

**\$20 per head – Two course meal**

**Profits from the night will go to Production Line**

I have it on good authority that the new wood fired pizza oven has been christened and the pizzas were up to their usual very high standard, so it looks to be a good night. Save the date and remember all past members, partners, family and friends are welcome.

***An attendance sheet will be circulated tonight, as Janet needs numbers by 12 November***

## **National Immunisation Day January 2018**

I am happy to report that Ula and I will once again be travelling to Moradabad in January to participate in the NID. We are going with the usual group Bob and Jill Richards from the Rotary Club of Sandringham, plus several other Rotarians from that club. We are putting the call out for small stuffed toys as these are handed out to the children. They need to be about palm size as we have to carry over 50 toys and the suitcase has cope.

Ula will also be taking over Days for Girls kits to be distributed in Moradabad through the DfG organisations there.

This will also be an opportunity to see how the projects are progressing, our club assisted financially is some of these.
