FARMERS RELIEF

Last week we ordered another load of 40 bales of hay, sourced by the Rotary Club of Hastings/Westernport who donated a previous load. Warren from Donald's will go and pick up for us and deliver to the yard on Sunday, we will just have to pay for his fuel, plus Hastings/Westernport are donating money towards it as well. The club may be able to source even more hay for us which will certainly assist the farmers.

It was great to hear that Need for Feed brought down another load to our area a couple of weeks ago and Gippsland Farmers Relief have been very active here as well, having received \$50,000 from the Freemans Victoria.

Some substantial rain over the last week no doubt will be good news to everyone.

A SPECIAL THANKS FROM A RELIEVED FARMER

Hello dear Rotarians, I just want to thank you for your efforts and the great work in supporting us farmers at this time, the generosity is overwhelming having just received a container of molasses to help with feeding cattle.

Sincerely, John Poynton.

FROM THE BOARD

Another packed room for our monthly board meeting, with us being cosy around the table as we wind up our year and get ready to welcome in Patricia next year.

YOUTH

Steve Daly from District has confirmed that Leon Adams our NYSF candidate has registered. We will have to wait until July when he will be interviewed by District.

Patricia has contacted the other clubs in our cluster as well Sale Club to see if she can get sponsorship money for Leah Radatti to assist with her study in Ireland. So far not much success as some clubs, like us, have already given her money in the last 12 months, but she is still going to pursue other sources.

CHANGEOVER

All plans are well on the way for the big day, supplies ordered and menu is being finalised. Invitations have gone out to all members, plus District and now to local dignitaries. So all in all it looks like it should be a great day. Remember to confirm with Patricia if you are attending and payment can be made online.

COMMUNITY

Bowel Scan month of May looks to be going well, John B got an article in the paper and one pharmacy is already out of stock.

We have had a request from Lakes Entrance to assist in the building of a gazebo/shelter at the Hope Restart Centre, we voted against as we have already given \$5000 to the cause.

We will had a request for a donation from the East Gippsland JP Society, it was decided to invite them to talk to the club one week and we will see if we can give a small donation. It was a bit of an eye opener to realise that they have to pay for all forms, stationery, printing and adverts in the paper, considering the great service they do for the community.

INTERNATIONAL

Our annual sponsorship amount due for the awake and Shine school, together with the money received from other sponsors has now been sent to the school.

Bulletin Special

As a special in this week's bulletin to avoid a fine for not reading it, simply know the word 'Trachoma'.
