FARMERS RELIEF

Now that the new year has started, we are back into assisting the local farmers. Although there has been some rain, several areas have not received enough to make any sort of difference. Rex has been receiving calls from farmers in need, so hopefully this week we will be purchasing more hay for distribution.

More good news is that we were contacted by the Pakenham Probus Club who wanted to donate some money to our area to help with drought relief. They were given our number and now we will have some more money coming in to help with our work.

Some statistics to date:

Donations received \$37,000.00, monies expended \$27,000.00, so close to \$10,000.00 left before our recent purchase of hay. We have distributed 464 bales of hay to date, some donated and some purchased with our funds. We have distributed \$5,600.00 worth of vouchers, most of which have been redeemed. We have also facilitated the acquisition of a storage shed for the Gippsland Farmers Relief, paying the deposit required.

It is obvious that this drought with not be over soon and even if it is, it will take a while before the farmers are back on their feet again, so as previously stated, our club is in for the long haul.
