Dear Friends

We have great pleasure in inviting you to a very special event to celebrate our amazing dolphins and wonderful bay.

There will be entertainment and some very special guests with inspiring stories of our dolphins and our young '*i sea, i care*' environmental leaders.

You will also help us to launch an exciting new project to protect our dolphins through improving the behaviour of people on the water.

There will be some fundraising, including a silent auction with fantastic items that have been donated by local businesses and artists. (We will let you know more closer to the event).

Your support is very important, so we do hope that you will be able to join us so we can thank you in person.

Jeff Weir, Executive Director.
