Rotary Club of Dromana
Po Box 208
Dromana. Vic

Dear President

We send a letter of appreciation & heart filled thanks for the kind donation of \$600 towards the support of Singing for Wellness on the Southern Mornington Peninsula.

Your support means a great deal to us as you understand the importance of meaningful creative activities to enhance & rehabilitate people living with the effects of Stroke, Parkinson's, Aphasia, Brain Injury & Multiple Sclerosis.

In return for your financial support we offer a future brief presentation on the progress of Singing for Wellness & short singing session by our facilitator Colleen Rees. From Yes You Can Sing & Play. Colleen has a wealth of experience in running singing programs for all ages & abilities, delivering a fun stimulating activity to a future Rotary meeting.

We look forward to your reply on the above invitation at your earliest convenience..

Once again thank you for your commitment to Singing for Wellness in 2016.

Yours truly

Jacque Beddows | Colleen Rees
