Rotary Club of Lakes Entrance Annual Report 2016-17

Thanks

First let me thank all Rotarians and friends who have helped to make 2016-17 a successful year. Your help, support and advice has been greatly appreciated. In particular I'd like to thank the soon to become president, Peter Sindrey, who was the club secretary this year. Peter was always supportive, organised and willing to help out. With Peter as President, I'm certain 2017-18 will be a good year for the Club. I'd also like to give an extra special thanks to my wife Eileen who has put in countless hours during the year in assisting Rotary projects and events. Eileen played key roles in ensuring two critical projects, the Gippsland Lakes Art on Show and the Youth Exchange program, were well organised and successful both financially and socially.

Art Show

The annual Gippsland Lakes Art on Show was held over the long weekend in March. There were over 250 works of art on display and for sale. About 1000 people attended the Show and over \$8000 was raised. The Gunaikurnai Land and Waters Aboriginal Corporation (GLaWAC) again supported the show by allowing it to be held in their magnificent base at Forestec as well as promoting the show to the Aboriginal community.

Youth Exchange

After many years the Club again participated in the Youth Exchange program. Celinn Westerholm from Finland was warmly welcomed and supported by the club, the four Lakes Entrance host families and the Lakes Entrance Secondary College during her year long stay in Lakes Entrance. It was a rewarding experience for Celinn, the host families, the school and our Club. It is likely that we will be sponsoring a local student to head off overseas in January 2018 becoming the first international exchange student from Lakes Entrance for several years.

Membership

We have put in an effort to increase our membership by spreading the word that Rotary is a good organisation to join for those wishing to give back to their community as well as overseas communities and to make good friends. Our membership increased 40% from 19 to 26.

International Support

The Club raised \$30,000 during the year which is more than \$1000 per member. This great effort enabled the Club to continue its valuable role in supporting local and international projects and organisations. Being President this year I have learnt much more about the tremendous contribution that Rotary International via the Foundation makes to helping to address the needs of people living in impoverished conditions. Our Club has financially supported the eradication of polio and malaria programs, international disaster aid, wheelchairs for kids and water purification projects.

We also continue to support Tabitha house building teams by raising funds at our annual Calcutta night. This year the Calcutta was held at the Wy Yung Hotel raising \$2000. The Club has supported house building teams from Lakes Entrance and district going to Cambodia for several years. Marnie Graham does an excellent job coordinating this work.

Local Support

Locally we provide financial support to organisations like the Surf Club, Coast Guard, CFA, Church Emergency fund and Centenary House as well as supporting and contributing to community projects such as the local "Community Bus" for Gippsland Lakes Community Health and the New Year's Eve fireworks.

Local school based projects.

We also support a number of school based projects. The fourth Deb Ball was extremely successful and this event is now a permanent part of the Secondary College's events in partnership with Rotary.

Orbost Rotary Club hosted the annual Orbost/Lakes Entrance Secondary Colleges Debate at the Orbost Club. The topic for this year's debate was - "Same sex couples in Australia should be able to marry". The Lakes team was well prepared but in the end Orbost regained the trophy in a very close finish.

Forty students completed this year's Junior Award Program and were honoured at the Annual Awards Dinner held at Mackillop Hall. Youth Exchange student Celinn spoke to the audience of 200 to give the graduating students an understanding of the Rotary Youth Exchange Program and encouraged students to take up the opportunity to participate during either year 10 or 11 of their secondary education.

Social Activities and Conference

Rotary also has a range of social events to assist in strengthening local networks and friendships as well as to raise funds and have some fun. Examples include our monthly guest speaker program, special dinners like the foundation and progressive dinners, mini golf, bowls night, Calcutta and Bemm River fishing weekend.

Our Club had 22 Rotarians and partners attending the District Conference held in Hobart. This was the highest proportion of members attending from any Club. More importantly we all had a great time and learnt a lot about Rotary. I recommend you look at the photos, at the end of this report, particularly the costumes that Club members wore to the conference ball.

Partnerships

In closing I'd like to thank our major sponsors McDonalds, LJ Hooker, Wyanga Winery, Cunninghame Arm Medical Centre, Tambo Waste, Ace Radio, Lakes Entrance Bowls Club and the Sports and Entertainment Centre as well as local organisations that we have worked collaboratively with on joint projects - The Lions Club, local schools, GLaWAC and Lakes Entrance Action and Development Association. I'd also like to thank the Shire who continues to help financially with the development of our Art Show and to Rotary's District team for their support, advice and assistance during the past year.

Organising with other Rotary Clubs in our cluster the Foundation 100th year celebratory dinner in Lakes Entrance was a rewarding experience. It was the largest gathering of Rotarians from East Gippsland for many years. 160 people attended the night and a good time was had by all. It augers well for future cluster projects or events.

The essence of Rotary is to contribute to make the world a better place both here in Lakes Entrance and overseas. In our own small but significant way the Rotary Club of Lakes Entrance continues to achieve this.

LESLEY MACKENZIE

PAUL HARRIS RECIPIENT

ROTARY CLUB OF LAKES ENTRANCE

Lesley moved from the Latrobe Valley to Lakes Entrance in March 2007 and joined the Rotary Club of Lakes Entrance. She successfully operated her Bed and Breakfast, Pomora House, for nine years. Lesley has two sons, Trevor and Richard and is married to Tony Mackenzie. Throughout her life, Lesley has generously given her time and support to a number of charities and local community groups including:

Scouts – 30 years of service

In 1978, when Lesley's eight year old son, Trevor, was a Cub, she first took up a position on the local Scout Group committee. She later went on to hold various roles including Treasurer and Secretary. Lesley catered for camps and training courses at Group, District, Region, State and National level. At a Bicentennial Water Activities camp at Wattle Point in 1988 she singlehandedly cooked for 30 to 40 adult leaders using a surplus RAAF gas cooker in three equally antiquated canvas Bivouac tents strung together as a kitchen.

LifeLine – 30 years of service

Lesley trained as a Telephone counsellor with Lifeline and later advanced to a position as a Trainer of new Telephone counsellors. She has counselled many people over the years and given support and training to numerous Telephone counsellors. She also gave her services to Fire Ground Evacuation Shelter Assistance during Gippsland's Black Saturday fires in 2009.

Red Cross – 8 years of service.

Lesley is a Telecross operator with Red Cross, calling elderly folk on a daily basis to make ensure they are okay and offer a friendly voice. Now, Lesley is a Telecross supervisor assisting a number of Telecross operators to make their daily calls offering valuable advice to operators when required.

Rotary Club of Lakes Entrance – 9 years of service

Lesley has always been willing to help in all facets of the Rotary Club of Lakes Entrance. Whenever help is required, Lesley is one of the first to volunteer. In recent times, her positions have included President (2014-15), Treasurer, Member Liaison and Attendance Officers as well as coordinator of the Deb Ball.

Lesley is a wonderful example of Rotary's motto 'Service before Self'. She is a worthy Paul Harris Fellow and has earned her Paul Harris award many times over.

Our Club acknowledges the generous support which continues to be offered by our eight major sponsors.

Their support is crucial to the continued viability of our Club and, as such, they form an important part of our life in Lakes Entrance. For these reasons our members support these sponsors and encourage others to do the same.
