## President's Report 2024-2025

I would like to start by thanking my wife Jenny for all her support over the last 12 months, as well as all the Board Members, the rest of our Rotary Club members and our Friends of Rotary. Without the support from all of them, what we have achieved this year would not have been possible.

The year started very slowly mainly because after our Changeover dinner a lot of our members go travelling for a month or two and thankfully all returned safely.

Our grand final footy night was once again held at Wyanga Park Winery where Mike Goodluck was MC for the night, and his footy quiz kept us all entertained for the evening.

In October the Lions Club put on a community expo with about 40 clubs and organisations represented. We had a table there with quite a few people asking questions about Rotary. There were a lot of people coming through all day.

Around the same time, we received a Rotary Foundation Grant to go ahead with the new welcome to Lakes Entrance signage. This was organised with the help of Winning Edge Signs over the next few months, culminating in mid-December with our new sign being put in just in time for the tourist season, and to top it off Winning Edge Signs has come on board as one of our major sponsors, which is great.

The Melbourne Cup eve night went off really well with about 35 people at the Esplanade café. Peter and Jeff did a great job with the raffle and a couple of cup phantom calls.

We had 22 members of the Hawthorn Rotary Club come up for a visit at our meeting in November. It was a great night, and they have come onboard to help with funding for Timor Leste, which is great. Then off to Bemm River for our fishing weekend and our usual fish BBQ on the Saturday night.

Early December we presented Neighbourhood House with a donation to help them over Christmas; part of an idea to get money out into the community through the year rather than at the end of the year. We also gave LEADA a donation to help with the Christmas and New Year festivities as we usually do.

It was great to have members from other Rotary Clubs in our Cluster as well as ADG Bill Degnan and his wife Judy join us for our Christmas party, also held out at Wyanga Park Winery.

Our Saturday night raffles at the Sports & Community Club which started Melbourne Cup weekend and finished Australia Day weekend was a great success again thanks to Jeff Wilson and Rob Curnow along with other Rotarians who helped with ticket sales each Saturday night

January the 22<sup>nd</sup> was our first meeting for the new year at the Esplanade Café, with Judite from Timor Leste joining us and telling us how things were over there. This was also the start of our raffle with a first prize of \$1,000 in Aldi vouchers. We sold tickets in various locations both in town and out with a great response to the 1<sup>st</sup> prize we were offering. This finished on Easter Monday with the raffle draw at the Toorloo Arm Reserve by our local Federal Member, Darren Chester, and the lucky winner was Jaclyn from Sarsfield.

Easter Saturday, we managed a BBQ at the Bairnsdale racecourse to help Mitchell River Rotary Club with their Makers Market Day; one of their projects through the year. This was a successful day for both clubs and thank you to all that participated.

Through the year we have had some great speakers such as one on prostate cancer, Gippsland Ports, Aislin Jones, Haley from Lakes Entrance Ambulance on CPR, Timor Leste, and numerous others, thanks to Sandy.

As we come into the end of the Rotary year, we have been able to hand out some more donations to Neighbourhood House, the Surf Lifesaving Club and Ocean Rescue; all very deserving organisations. In addition, we have sent some funds to Rotary organisations in both Queensland and New South Wales, for their flood disaster relief fund. This has all been made possible by the efforts of the members of the Lakes Entrance Rotary Club, and their partners, for which I thank each and every one of you.

Thank you  
Bernard Abrecht  
President

## Secretary's Report from Peter Sindrey

2024/2025 has been a busy and productive year for us, as our members have continued to support the President and the Board in the operation of the Club.

Progress in the past year is addressed by others in this Annual Report and can be summarised as follows:

- Important local Projects have been advanced. In particular, we have responded to Rotary policy that we should display a greater presence of our organisation to the community. Examples are:
  - Installation of new town signage, advertising Rotary and identifying our sponsors.
  - A major Club raffle, with the prize from a local retailer and with sites established to progressively sell tickets in the township and beyond.
  - Early donations to local worthy recipients, with associated media coverage.
  - Management of a weekly town raffle for a 3-month period during the tourism peak.
- Overseas, our efforts to support communities in Timor Leste have gained further momentum. Bruce has provided some detail in his section of this Annual Report.
- Our work to encourage relations with nearby Clubs in the (old) East Gippsland Cluster have seen cooperative efforts on Timor Leste, joint meetings with other Clubs and support for fundraising activities managed by others.

In addition, the year has been profitable for the Club. We have developed our fund-raising capacity by introducing new activities and improving existing processes to provide extra funding for our work:

- We introduced our own 'sold-out' raffle with sales sites used widely.
- We are now regularly offered use of the (profitable) Bunnings sausage sizzle site in Bairnsdale.
- We have gained an additional 'Major Sponsor' for the Club.

As a result of these activities, we now provide much-needed funding to others. Some examples are:

- A variety of projects in Timor Leste, such as water sanitation, solar lighting.
- Support for major Rotary projects such as Polio, Malaria, Disaster Aid, Wheelchairs-for-Kids.
- Support for local needs such as Neighbourhood House, Surf Lifesaving, Ocean Rescue.
- Support beyond the local area such as Centenary House, Qld & NSW Flood Relief.

And, most importantly, our Club contains a group of dedicated Rotarians who totally support the Board and our Club in any way it is needed. For all, it's a fun task of attending meetings and being absorbed in the atmosphere of a wonderful Club. It is no wonder that our membership numbers have remained constant.

I should also mention that our District Governor came to our Club recently and presented an award for 100%-member participation in Foundation giving.

To those who organise and sell raffle tickets throughout town, cook sausages, construct Art Show boards, manage our funding, represent us overseas and domestically, set programs, attend Board meetings, offer wise counsel and advice, manage Student Community Awards, and carry out the necessary administrative tasks for the Club, I offer the Club's thanks for your service.

Peter Sindrey  
Club Secretary

## **Foundation Director Bruce Hurley**

### **East Gippsland Friends of Timor-Leste**

#### **Locals helping Timor-Leste**

As a result of a visit by Bruce and Eileen Hurley to Timor-Leste in 2023 last year the four Rotary Clubs of East Gippsland together with the staff of Gippsland Lakes Complete Health and Lakes Entrance Baptist Church formed East Gippsland Friends of Timor-Leste (EGFTL) with the aim of providing ongoing support to Timor-Leste projects.

Australia's neighbor, Timor-Leste is one of the poorest countries in the world. It was devastated by the Indonesian Army during 1975 to 2000 with 70% of its infrastructure destroyed and over 200,000 people killed. On gaining independence in 2001 Timor-Leste has been rebuilding the nation with support coming from a number of countries, including Australia. There are also many local projects in remote rural villages supported by Rotary and other organisations. It is these projects that East Gippsland Friends of Timor-Leste support.

A few months ago Eileen and Bruce, together with Marnie Graham a staff member from Gippsland Lakes Complete Health, made a return visit to Timor-Leste with a group called Friends of Soibada. They visited a number of remote villages in the Soibada district to see the progress of projects that East Gippsland Friends of Timor-Leste had supported and to gain insights as to what was the best way to support their future needs.

Despite the level of poverty, it was an uplifting experience. The villagers worked long hours on their farms and on improvements to their homes. Nearly all children went to the local kindergarten and school. They were very welcoming and appreciative of our visit.

East Gippsland Friends of Timor-Leste raised \$20,000 in its first year. The money raised contributed to farm improvements, basic health and education requirements, provision of fresh water and toilet blocks in remote rural villages. A number of solar lights were also distributed to villages that had no electricity.

Members of East Gippsland Friends of Timor Leste, including the Rotary Club of Lakes Entrance are committed to giving ongoing support to Timor-Leste projects. Our club recently donated a further \$3000 for Timor-Leste projects.

Our most recent task, with the help of the Rotary Club of Hawthorn, was to acquire a SkyHydrant for the village of Kaikasa. Local work on site commenced earlier this month and we expect reports back as soon as the installation work is completed.

## Rotary Junior Community Awards

The Rotary Junior Community Award is a program aimed at giving young children the opportunity to develop attitudes towards volunteerism by assisting organisations and people in need, learning about their own community, developing healthy attitudes towards physical recreation and developing new skills.

The Lakes Entrance Rotary Club introduced the award to our local schools in 2007. During the 2024 school year students from Nungurner, Metung, Swan Reach, Toorloo Arm, Lakes Entrance, and St Brendan's Primary School took part in the program with 22 students completing the award.

During the 2025 school year it is encouraging to see a small growth in the number of students from all six schools enrolled in the program.

## Report from Programme Coordinator Sandy Yeats

- Our first meeting for the year took place on Wednesday **10 July 2024**, when Irene Yeats gave a talk and showed some slides of her experiences cruising the canals of Holland, Belgium and France on a small canal boat.
- At the Club Assembly on **24 July**, members were asked to provide their ideas for the forthcoming year.
- On **31 July** we held our first social evening at the Sports and Community Club.
- At our Club Assembly at the Central Hotel on **14 August**, Bruce & Eileen providing a comprehensive briefing on their most recent trip to visit Timor Leste.
- We had the first Bunnings BBQ of the year on Saturday the **17 August**, making a profit of \$1147.
- Our Club Assembly on **28 August** received a visit from Liz Dorsett, a celebrated bush poet, who entertained us with traditional Aussie poems from the past.
- On **4 September** we made our first visit to the Vietnamese kitchen (now known as the Esplanade Café) for a social evening and dinner. That day also marked the official opening of the new Jemmy's Point facility and members were present for the ceremony.
- Moss Mahony gave a very informative talk on prostate awareness on **11 September**: very pertinent to many of our male members of a certain age.
- On Wednesday **25 September** we had our annual grand final footy night at the Wyanga Park Winery – always lots of fun, well planned and managed by Mike Goodluck.
- We held our first social night at the Kalimna Hotel on **2 October**.
- A Community Expo was held on **6 October**, and our Club managed a table at the Mechanics Hall to talk to local community members.
- Wednesday **9 October**, we hosted a presentation from Gippsland Ports David Holding on the history of the Port of Lake Entrance.
- Also, the Club held its Annual General Meeting on **9 October**. The event was conducted in the usual 'prompt' fashion.
- The following week, on **23 October**, our local Olympic shooter Aislin Jones talked about her experiences at the Paris Games and thanked our Club for our support to her.
- A further social dinner was held on **30 October**, at the Bowls Club.
- On Monday **4 November** we held our Melbourne Cup Eve Calcutta, complete with phantom race calls, at the Vietnamese Kitchen. Someone close to me won \$50!
- Remembrance Day on **11 November** included services at the Cenotaph with wreath laying by Lesley on behalf of our Club.
- Sunday **17 November** was our second Bunnings sausage sizzle day for the year making a profit of \$1055.
- We had a special meeting on **20 November**, when we hosted a visit by members of the Rotary Club of Hawthorn. Arthur Allen gave a talk about Lakes Entrance. I had the honour of presenting our club banner to their President Dorothy Gilmour. Lakes Entrance and Hawthorn Rotary Clubs are now equal financial contributors to a sky hydrant project for Timor Leste.
- Over the period **20-24 November** we saw many of our members travelling to Bemm River for our annual Fishing Weekend and, as usual, Bernard and Rob supplied most of the fish for the Saturday night BBQ.
- During **25-29 November** a number of a members together with members of the International Yachting Fellowship of Rotarians boarded the "Pacific Princess" for a cruise from Melbourne to Kangaroo Island. Unfortunately, the weather was such that we were not allowed to land on the island, so we cruised slowly back to Melbourne enjoying fellowship on the way.

- We held our Christmas function on **11 December** at Wyanga Park Winery, one of our generous sponsors. Representatives of all other Clubs in the Cluster, and Assistant Governor Bill Degnan and his wife also attended the event.
- Our first meeting for 2025 was held on **22 January 2025** at the Esplanade Café and we were privileged to hear from Judite, who had travelled from Timor Leste, to visit and talk to us about conditions in her country and the various Rotary projects that are assisting the local population.
- On **29 January** we held a social BBQ at Jemmy's Point, with nice view overlooking the estuary.
- **5 February** saw our first social dinner at Kathy's Kitchen.
- Hayley, one of the local members from the Lakes Ambulance Service visited on **12 February** and gave us a presentation and CPR demonstration.
- Regretfully, the planned Annual Canni Creek Raceday on **15 February** was cancelled due to bad weather conditions making the course unsafe for racing – a big blow to the Buchan community
- Wednesday **26 February** saw us again at the Central Hotel for a Club Assembly.
- On **12 March** we were visited by District Governor Colin Byron and Assistant Governor Bill Degnan and wives. Representatives of the five Clubs located in the Cluster joined us for this Cluster evening.
- Three ladies from the Gippsland Lakes Complete Health met with us on **26 March** and gave us a briefing on Home Care Packages.
- On **2 April** we had another social night at the Esplanade Cafe.
- We managed a stall at the Foreshore markets, selling raffle tickets on **6 April**.
- We held a further Club Assembly at the Central Hotel on **9 April**.
- On Saturday **19 April** we assisted the Rotary Club of Mitchell River at their annual Makers Market at the Bairnsdale Racetrack, which also raised funds for our club.
- We hosted a BBQ at the U3A Hub on **21 April**, where Darren Chester drew the winning ticket for the Club raffle.
- **23 April** saw another Club Assembly at the Central Hotel.
- On ANZAC Day, **25 April**, Club members attended services at the Cenotaph where Lesley laid a wreath on behalf of the Club.
- Our 3rd Bunnings barbecue of the year was held on **Sunday 4 May**, with a profit of \$974.
- At our Club Assembly on **14 May** at the Central Hotel, members were briefed about Changeover plans.
- At our Club Assembly at the Central Hotel on **28 May**, members considered, and approved, funds to support NSW Flood Disaster victims.
- We held our final social dinner for the year at the Esplanade Café on **4 June**.
- Also, our last Bunnings sausage sizzle for the year was held on Sunday **8 June**.
- On **11 June** we received a presentation from ESSO personnel on the removal of 14 of the Bass Strait oil and gas platforms.
- And finally on **25 June**, our Club changeover event will mark the end of this Rotary year.

In addition, throughout the year, Board members of the Club held regular meetings, almost every month, to make decisions on the operation and financial management of the Club.

My thanks to all those assisting with events over the year.

Sandy Yeats, Programme Co-ordinator.

## Rotary Major Sponsors

Our Club acknowledges the generous support which continues to be offered by our nine major sponsors. Their support is crucial to the continued viability of our Club and, as such, they form an important part of our life in Lakes Entrance. For these reasons our members support these sponsors and encourage others to do the same.
