PRESIDENT SANDY'S SNIPPETS

I must start by thanking President Ian for the great job he has done this past year. A big thank you also to everyone involved in making our changeover dinner such a success on Wednesday evening. In particular the team that decorated the function room with the Scottish theme. I was really impressed. In particular Lesley, Vivienne, Louise (+ two granddaughters) Irene, Ian, Rob and Tony who gave up their afternoon to get the room set up.

The dinner was well attended with forty five present including guests from Orbost and Mitchell River Rotary Clubs, Lakes Entrance Lions Club, Bairnsdale Inner Wheel, and the Lakes Entrance Neighbourhood House represented by Ann and Greta who were presented with the cheque which will go towards erecting an awning for protection of their clients.

The Rotary Ladies Ukelele Quartet were highly entertaining and the word out there is they could be signed up for a slot on 3TR. They sang "Sandy where's your troosers?" and "What shall we do with a drunken sailor?" Can't think why! Well done, June, Paula, Irene and Louise. Rob and "Jock McGown" (in the Jimmy Wig) did a very rewarding fine session. A big thankyou to all who attended and who supported the club by buying raffle tickets from Eileen.

The Leadership Team for the next Rotary Year

At the Board meeting on the 24th of May it was agreed that the annual membership subscription should be increased from \$250 to \$280 per annum. This is the first increase for many years but it was necessary because of the increase in the insurance premiums. Our treasurer, Jeff, will be sending out invoices in the not too distant future.

We provided hard copies of the Annual Report at the changeover and I will have more available for those who want them at our first formal meeting on the 12th July at the Central. Next Wednesday 5th July we have an informal social dinner for members, partners and friends at the Waterwheel Tavern, Lake Tyers Beach at 6pm. Please advise Lesley on mobile 0419 871 197 by lunchtime on Monday if you are attending.

At our meeting on the 12th July, Parivesh Kumar, physiotherapist, from GLCH will give a talk on the "Pain Revolution". I missed his last presentation so I am looking forward to hearing his talk.

Cheers Sandv

to quote RI Pres Gordon McNally: "Membership is the lifeblood of our organization. I would encourage the use of the flexibility now available to establish new-style clubs that would appeal to a different demographic."
